**Commune/Sangkat Data, 2009**  
**for Commune/Sangkat Devt. Planning**

Commune (Sangkat):.....	Code Number:.....
Municipality/District/Khan:.....	Capital Province:.....
Recorded by Commune Clerk.....:.....	Signature:.....
Verified by Deputy of Commune:.....	Signature :.....
Approved by Commune Chief:.....	Signature and Seal:.....

Sent to the Director of Provincial/Municipal Department of Planning of  
..... for Commune profile production

**Send date: .....**

**Please return this data book back to us, after data entry.**

## Commune Level Data

Due to unclear boundaries of villages, some data is difficult to record by village and is therefore recorded at the Commune/Sangkat level. This data is sourced from the Commune/Sangkat.

### Education Sector

#### Number of schools in the commune

	School Type	#Schools	#Classrooms	#Classes
234	# of community pre-school	.....	.....	.....
235	# of formal pre-schools	.....	.....	.....
236	# of primary schools	.....	.....	.....
237	# of lower secondary schools	.....	.....	.....
238	# of upper secondary schools	.....	.....	.....
239	# of private schools	.....	.....	.....

**Note:** Number of classes could be more than number of classrooms as some classrooms are used for more than one shift.

Based on the above mentioned schools, the total number of teachers (excluding the number of office staff) is:

	Teachers	Total	Female
240	# of teachers teaching in the community pre-school	..... persons	..... female
241	# of teachers teaching in the formal pre-school	..... persons	..... female
242	# of teachers teaching in the primary school	..... persons	..... female
243	# of teachers teaching in the lower secondary school	..... persons	..... female
244	# of teachers teaching in the upper secondary school	..... persons	..... female
245	# of teachers teaching in the private school	..... persons	..... female

#### Ongoing literacy classes this year:

	Literacy classes established by	# classes	# of literacy teachers		# of literacy students	
			Total	Female	Total	Female
246	PDoEYS	.....	.....	.....	.....	.....
247	Other organizations	.....	.....	.....	.....	.....
248	Other programs	.....	.....	.....	.....	.....
<b>249</b>	<b>Total</b>	.....	.....	.....	.....	.....

#### Completed literacy classes this year: (if the data is not available please fill 0)

	Literacy classes established by	# classes	# of literacy students		# of literacy students passed	
			Total	Female	Total	Female
250	PDOEYS	.....	.....	.....	.....	.....
251	Other organizations	.....	.....	.....	.....	.....
252	Other programs	.....	.....	.....	.....	.....
<b>253</b>	<b>Total</b>	.....	.....	.....	.....	.....

### Agriculture Sector

Rice production for this year is recorded below (If there is no rice produced, enter 0):

#### Dry season

Dry Season Rice			
254	Total dry-season rice land in the commune		.....ha
255	Cultivated dry-season rice land		..... ha
256	where	Area of recession dry-season rice	.....ha

257		Area of full-irrigated dry-season rice	.....ha
258		Average dry-season rice yield (metric ton per hectare)	.....ton/ha
259		Total rice production in dry-season (estimation)	.....ton

#### Wet season

Wet Season Rice			
260	<b>Total area of wet-season rice land in the commune</b>		.....ha
261	<b>Total area of cultivated wet-season rice</b>		..... ha
262	Total area of wet season rain fed rice land		.....ha
263	Total area of irrigation rice land area		.....ha
264	where	Area irrigated from canal/dam	.....ha
265		Area irrigated from river, stream, lake, natural pond	.....ha
266		Area irrigated from drilled well	.....ha
267		Area irrigated from dug pond	.....ha
268	Average wet-season rice yield (metric ton per hectare)		.....ton/ha
269	Total rice production in wet-season (estimation)		.....ton

#### Intensive rice cultivation

	Intensive rice crop	First time	Second time
270	<b>Total area of intensive rice cultivation</b>	..... ha	..... ha
271	Average intensive rice yield	.....tons/ha	.....tons/ha
272	Total of rice production (estimation)	.....tons	.....tons

#### Upland rice cropping

Upland rice crop		
273	<b>Total of actual upland rice crop</b>	..... ha
274	Average upland rice yield	.....tons/ha
275	Total of upland rice production (estimation)	.....tons

#### Canal and Irrigation system (If none, enter 0):

276	Length of canal with 6 months water in the wet-season	.....meter
277	Length of canal need to repair/rehabilitate	.....meter
278	Length of new digging canal needed	.....meter

#### Other crop production cultivated in commune boundary this year (If none, enter 0):

	Type	Cultivation area (estimate)	Average yield (estimate)	Production (estimate)
279	Corn	.....ha	.....tons/ha	..... tons
280	Soya bean	.....ha	.....tons/ha	..... tons
281	Mungbean	.....ha	.....tons/ha	..... tons
282	Peanut	.....ha	.....tons/ha	..... tons
283	Cassava	.....ha	.....tons/ha	..... tons
284	Sweet potatoes	.....ha	.....tons/ha	..... tons
285	Sesame	.....ha	.....tons/ha	..... tons

## Road/Transport Sector

#### Asphalt and concrete road (If none, enter 0):

	Description	Type of road			
		Bituminous	DBST	MAKADAM	Concrete
286	Number of line	.....lines	.....lines	.....lines	.....lines
287	Length of road	.....meter	.....meter	.....meter	.....meter
288	Length need to repair	.....meter	.....meter	.....meter	.....meter

289	Length of new road	.....meter	.....meter	.....meter	.....meter
-----	--------------------	------------	------------	------------	------------

**Sewage pipe (If none, enter 0)**

	Description	Diameter of Pipe		
		30-50 cm	60-100 cm	over 100 cm
290	Number of line	.....lines	.....lines	.....lines
291	Length of pipe	.....meter	.....meter	.....meter
292	Length need to repair/rehabilitate	.....meter	.....meter	.....meter
293	Length of new constructed pipe	.....meter	.....meter	.....meter

**Earth road (If none, enter 0):**

	Description	Earth road type		
		Laterite road	Constructed earth road	Un-constructed earth road
294	Number of line	.....lines	.....lines	.....lines
295	Length of road	.....meter	.....meter	.....meter
296	Length need to repair/rehabilitate	.....meter	.....meter	.....meter
297	Length of new road need	.....meter	.....meter	.....meter

**Drainage System: (If none, enter 0):**

	Type	#Places	length	need to repair		need to construct	
				#Places	length	#Places	length
298	Single pipe culvert	.....pl	...m	.....pl	.....m	.....pl	.....m
299	Double-pipe culvert	.....pl	...m	.....pl	.....m	.....pl	.....m
300	Rectangular pipe culvert	.....pl	...m	.....pl	.....m	.....pl	.....m
301	Wooden bridge	.....pl	...m	.....pl	.....m	.....pl	.....m
302	Concrete bridge	.....pl	...m	.....pl	.....m	.....pl	.....m
303	Bale bridge	.....pl	...m	.....pl	.....m	.....pl	.....m
304	Spillway construction	.....pl	...m	.....pl	.....m	.....pl	.....m

**Number of families participates in CBO (If none, enter 0):**

305	# of families participating in Forestry Community	.....families
306	# of families participating in Fishery Community	.....families
307	# of families participating in NREM Community	.....families
308	# of families participating in Irrigation Management Community	.....families
309	# of families participating in WATSAN Community	.....families
310	# of families participating in Road Maintenance Community	.....families
311	# of families participating in The Poor Community	.....families
312	# of families participating in Farmer Community	.....families
313	# of families participating in Palm Juice Producing Community	.....families
314	# of families participating in Tourism Community	.....families
315	# of families participating in Salt Producing Community	.....families
316	# of families participating in other communities (not listed above)	.....families

## Additional Commune Data

### Handicraft and engine industry (If none, enter 0):

317	# of small-scale rice mills	.....places
318	# of medium and large-scale rice mills	.....places
319	# of electric generating stations	.....places
320	# of bicycle and motorcycle repairs places	.....places
321	# of agricultural machinery, tools and equipment repairs places	.....places
322	# of electronic tool repairs places	.....places
323	# of alcohol refinery places	.....places
324	# of handicraft places, wooden furniture and forest byproduct making	.....places
325	# of other handicraft places (excluding furniture)	.....places

### Other services (If none, enter 0):

326	# of small-scale services (hairdresser, phone service, massage, Karaoke...)	.....pl
327	# of small-scale food shop businesses (Food, groceries, drink shop...)	.....pl
328	# of large-scale markets	.....pl
329	# of small-scale markets	.....pl
330	# of pharmacies and small drug stores	.....pl
331	# of health clinics	.....pl
332	# of hotels	.....pl
333	# of guest houses	.....pl
334	# of restaurants	.....pl
335	# of gasoline stations	.....pl

### Domestic violence cases (If none, enter 0):

# of domestic violence cases reported by village chiefs		..... cases
where:	# of physical violence	..... cases
	# of sexual violence	..... cases
	# of mental violence	..... cases
	# of household economic violence	..... cases
# of administrative decisions on domestic violence		..... cases
