– Guidelines for Utilization of Commune Development Fund**

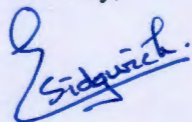

We refer to your letter dated 06 August 2013 requesting our endorsement on the Guidelines for Utilization of Commune Development Fund for Livelihood Improvement. Based on the revised version submitted by Mr. Ny Kimsan, NCDDDS Project Manager on 15 August 2013, our additional comments are as follows:

1. Within footnote 1, please refer the readers to para 5.
2. Please insert a new row in the table of announcement in para 52 (between the TOR obtained and Dealined for EOI submission rows) and state the following:
 - a. For individual: "Any interested individual consultant, please fill the EOI form (CV form in appendix 7) and submit to on or before the deadline below"
 - b. For firm or NGO: "Any interested consulting firm or NGO, please fill the EOI form (appendix 6) and submit to on or before the deadline below".

Provided that our comments above are incorporated, we have no objection for you to translate the guidelines into Khmer language for the use by the target communes and stakeholders for the utilization of the Commune Development Fund. Please send to us Khmer version for our information once the translation is completed.

Excellency, please accept my highest consideration.

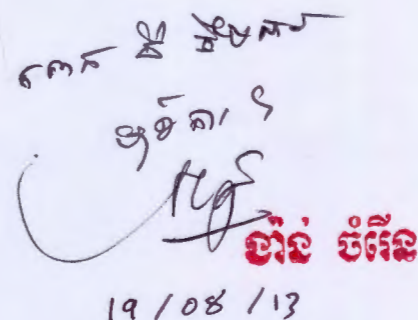

Sincerely,

Eric Sidgwick
Country Director
